**Ashley  
Devereux**

Ashley Devereux is a Canadian visual artist who lives and works in Toronto. The "Fat Bottom Girls" art series explores variations on the classical female form, in a celebration of shape and colour. This series is about the positive side of body image, what it means to take pride in the uniqueness of one's own figure, in all its vibrancy, movement, and beauty.

## Euge Leung

Puglie's a little pug with big dreams! He's full of whimsy, charm, and poots, always ready for the adventures the world has to offer, and the friends he has yet to meet!

In reality, Puglie is Euge's imaginary pug, as he's never owned a pug in his life! Together, their goal is to give you moments of joy that you'll hold dear! Joy that will get you through the toughest times - one day at a time!
